Fights against wrong with his life

B  
Theres no profit in deceit  
  A b m  
Honest men know that revenge does not taste sweet  
                                  E  
Whether yellow, black or white  
                                  D b m                                  G b  
Each and every mans the same inside

                                  B  
Ooh it takes every kinda people  
                                  E b m  
To make what lifes about yeah  
                                  A b m  
It takes every kinda people  
                                  D b m                                  G b  
To make the world go round

B    A b m    E    D b m-D

                                  B  
You know that loves the only goal  
  A b m  
That could bring a peace to any soul  
                                  E  
Hey and every man's the same  
                                  D b m                                  G b  
He wants the sunshine in his name

                                  B  
Ooh it takes every kinda people  
                                  E b m  
To make what lifes about yeah  
                                  A b m  
It takes every kinda people  
                                  D b m                                  G b  
To make the world go round

G                      G(strum)  
Ooh it takes every kinda people
