Verse 1

I've been wandering around the house all night

C

Wondering what the hell to do

I'm trying to concentrate but all I can think of is you

Well the phone don't ring cuz my friends ain't home

I'm tired of being all alone

Got the TV on cuz the radio's playing songs that remind me of you

Chorus

Baby when you're gone - I realize I'm in love

The days go on and on - and the nights just seem so long

Even food don't taste that good - drink ain't doing what it should

Things just feel so wrong - baby when you're gone

Verse 2

I've been driving up and down these streets

C

Trying to find somewhere to go

Ya I'm lookin' for a familiar face but there's no one I know

This is torture - this is pain - it feels like I'm gonna go insane

D^m **B^b** **G**
