## INTRO

B<sup>6/9</sup>

I've seen  
I staggered

## VERSE 1, 2

high-ways in the rain,  
on the edge of hell,

waved good-bye to mid-night trains.  
steal - ing coins from wish - ing wells.

I've seen  
And if the

sweet dreams dis - a - pear  
world went up in flames,

all my life.  
what did I care.

I've felt  
But when I

cold wind cut my skin,  
look in to your eyes,

wait - ing on ships that ne-ver came in,  
you're know I sudd - en - ly re - a - lize

but I  
for the

ne - ver cried real tea-rs,  
first time in my life—

un - til to - night.  
baby I'm\_ scared.

If I should lose this

## CHORUS

and die.

If you should turn a - way.

I could not bear to face
