

Stuff Like That– Quincy Jones

Intro 1 akkoord keys + vocals (slow):

I knew I was captured
By the rhythm, of the magic flute
Pulling and urging me
And all of a sudden I didn't care
No reason why, I just had to testify, yeah uh uh
Allright, come on now
Hm Hm Yeah uh uh uh uh
Hey yeah, listen

Walked in the joint
They were lined up back to back
Anything -you can name- no shame no,
And stuff like that

Let me hear you say, I said

Do it, do it, uh

Come on, I said

Do it, do it, hm uh uh

What makes you feel, what makes you feel like doin' stuff like that?

What makes you feel like doin' stuff like that?

Before my eyes, was the promise of paradise

Is she real, can she feel, is she a dream

ooh, well you know what I mean

Let me hear you say, I said

Do it, do it, come on now

Come on, **I said do it, do it,** Ooh ooh ooh ooh

What makes you feel, what makes you feel like doin' stuff like that? Uh

What makes you feel like doin' stuff like that? yeah

What makes you feel like doin' stuff like that? Oh yeah

What makes you feel like doin' stuff like that? To the bridge

I knew I was captured
By the rhythm, of the magic flute
Pulling and urging me, well
To taste the forbidden fruit, ooh yeah yeah
And though I felt so naive, well
I, I did not want to leave, no
Fever was in the air
And all of a sudden and I didn't care
And no reason why, I just had to testify, ooh uh uh, yeah yeah
Now give me those funky keys, come on!
