Intro: piano riff:

E

I won't let you down

D

I will not give you up

A

E

Gotta have some faith in the sound

It's the one good thing that I've got

I won't let you down

So please don't give me up

Because I would really, really love to stick around

B

A

Heaven knows I was just a young boy

E

A-C

Didn't know what I wanted to be

I was every little hungry schoolgirl's pride and joy

And I guess it was enough for me

To win the race? A prettier face!

Brand new clothes and a big fat place

On your rock and roll TV

But today the way I play the game is not the same

No way

Think I'm gonna get myself happy

Em

I think there's something you should know

G

I think it's time I told you so

D

There's something deep inside of me

A

There's someone else I've got to be

Take back your picture in a frame

Take back your singing in the rain

I just hope you understand

Sometimes the clothes do not make the man

E D
All we have to do now

A E
Is take these lies and make them true somehow

All we have to see
Is that I don't belong to you
And you don't belong to me
Freedom

D E
You've gotta give for what you take
Freedom
You've gotta give for what you take

B A
Heaven knows we sure had some fun boy

E A-C
What a kick just a buddy and me
We had every big shot good-time band on the run boy
We were living in a fantasy
We won the race
Got out of the place
I went back home got a brand new face
For the boys on MTV
But today the way I play the game has got to change
Oh yeah
Now I'm gonna get myself happy

E
I think there's something you should know

G
I think it's time I stopped the show

D
There's something deep inside of me

A
There's someone I forgot to be
Take back your picture in a frame
Don't think that I'll be back again
I just hope you understand
Sometimes the clothes do not make the man

E

D

All we have to do now

A

E

Is take these lies and make them true somehow

All we have to see

Is that I don't belong to you

And you don't belong to me

Freedom

You've gotta give for what you take

Freedom

You've gotta give for what you take

Em

Well it looks like the road to heaven

G

But it feels like the road to hell

D

When I knew which side my bread was buttered

A

I took the knife as well

Posing for another picture

Everybody's got to sell

But when you shake your ass

They notice fast

And some mistakes were built to last

Em

That's what you get

G

I say that's what you get

D

A

That's what you get for changing your mind

And after all this time

I just hope you understand

Sometimes the clothes

Do not make the man

E

D

All we have to do now

A

E

Is take these lies and make them true somehow
All we have to see
Is that I don't belong to you
And you don't belong to me
Freedom
You've gotta give for what you take
Freedom
You've gotta give for what you take

(C, Bb, F, C fading out)

I'll hold on to my freedom
May not be what you want from me
Just the way it's got to be
Lose the face now

G#

I've got to live
