You can make the sun turn purple
You can make the seeds turn turtle
But you know you could never make me love you more
You can turn wine into water
Turn sadness into laughter
But you know you could never make me love you more

Let the stars fall down
Let the leaves turn brown
So you know you could never make me love you more
Let the rainwoods die
Let the wells run dry
So you know you could never make me love you more

You can make the sun turn purple
You can make the seeds turn turtle
But you know you could never make me love you more
You can turn wine into water
Turn sadness into laughter

But you know you could never make me love you more

Let the stars fall down

Let the leaves turn brown

So you know you could never make me love you more

Let the rainwoods die

Let the wells run dry

So you know you could never make me love you more
