

The whole she bang

Oeh oeh ... Yeah, you think you're so special

You're mister miracle man. *Oeh oeh*

But it's not easy to please me,

because I want the whole she bang *Whole she bang*

If you think that you have me

in the palm of your hand, palm of your hand

But I got news for you baby, *oeh oeh*

because I want the whole she bang.

Refrein: oh••

You know I need a man who really makes my day,

I have my cake and eat it to

But live is just too short to let it, slip away

I got the love and living it too. *Ah ah ah*

Gonna break my taboo tonight

And let's start doing my thing

Cause you can have one girl now, *oeh oeh*

who's ready for the whole she bang, *whole she bang*

Are you trying to tell me, this is only one plan,

I don't buy what you sell me *oehoeh*

I'm going for the whole she bang *whole she bang*

No one says it was easy,

But hey, I don't know that we can,

if we go all the way now,

I'm ready for the whole she bang *whole she bang*.

Refrein

You know I need a man who really makes my day,

I have my cake and eat it to

But live is just too short to let it, slip away

I got the love and living it too. *Ah ah ah*

Now we don't need a reason

Yes to do it again

Now I won't set up a les now

Cause I want the whole she bang *Whole she bang*
