## Lyrics

C Cmaj7  
Beautiful People  
D7 F C  
You live in the same world as I do  
Cmaj7 D7  
But somehow I never noticed  
F D7  
You before today  
F G  
I'm ashamed to say  
  
C Cmaj7  
Beautiful people  
D7 F  
We share the same back door  
C E  
And it isn't right  
D7 F  
We never met before  
D7  
But then  
F G  
We may never meet again  
F G  
If I weren't afraid you'd laugh at me  
F G  
I would run and take all your hands  
E D A  
And I'd gather everyone together for a day  
D  
And when we gather'd  
A  
I'll pass buttons out that say  
C Cmaj7  
Beautiful people  
D7 F  
Then you'd never have to be alone

C E  
 'Cause there'll always be someone  
D7 F D7  
 With the same button on as you  
F G  
 Include him in everything you do.

C Cmaj7  
 Beautiful people  
D7 F  
 You ride the same subway  
C E  
 As I do ev'ry morning  
D7 F  
 That's got to tell you something  
D7 F  
 We've got so much in common  
D7 F D7  
 I go the same direction that you do  
F G  
 So if you take care of me  
F G  
 Maybe I'll take care of you

C Cmaj7  
 Beautiful people  
D7 F  
 You look like friends of mine  
C E  
 And it's about time  
D7 F D7  
 That someone said it here and now  
F G  
 I make a vow that some time, somehow  
E D  
 I'll have a meeting  
A  
 Invite ev'ryone you know  
D  
 I'll pass out buttons to

A  
 The ones who come to show  
C Cmaj7  
 Beautiful people  
D7 F  
 Never have to be alone  
C E  
 'Cause there'll always be someone  
D7 F D7  
 With the same button on as you  
F G  
 Include him in everything you do  
F G  
 He may be sitting right next to you  
F G  
 He may be beautiful people too  
F G  
 And if you take care of him  
F G  
 Maybe I'll take care of you
