

## **Lowdown - Boz Scaggs – Amin (5 halve tonen t.o.v. Incognito)**

### **Drum intro**

Baby's into running around  
Hanging with the crowd  
Putting your business in the street  
Talking out loud  
Saying you bought her this and that  
And how much you done spent  
I swear she must believe it's all heaven sent

Hey boy you better bring the chick around  
To the sad, sad truth the dirty lowdown

**Ooh I wonder, wonder, wonder, wonder who** - Taught her how to talk like that  
**Ooh I wonder, wonder, wonder, wonder who** - Gave her that big idea

Nothin' you can't handle  
Nothin' you ain't got  
Put your money on the table  
And drive it off the lot  
Turn on that old love light  
And turn a "maybe" to a "yes"  
Same old schoolboy game got you into this mess

Hey son, better get back on to town  
Face the sad old truth, the dirty lowdown

**Ooh I wonder, wonder, wonder, wonder who** - Put those ideas in your head  
**Ooh I wonder, wonder, wonder, wonder who** -

Instrumental break
