My best friend, you made my day
You danced and sang all the way
My best friend, don't turn around
It's gotta stop, there's peace to be found
It took some time to find your way
Ease your mind, hey, don't be afraid
Don't forget I know you best
Don't forget, no, that we will last

Every time when you're in pain
You keep calling out my name
You know I will understand
You just need a helping hand
Every time when you're in pain
You keep calling out my name
You know I will understand
Baby, you're my best friend

My best friend, you sure made my day
You danced and sang the truth away
But I've been a stone you tried to hide
All night long we put out a fight
It took some time to find your way
Ease your mind, hey, don't be afraid
Don't forget I know you best

Don't forget, no, that we will last
