

## Stop Loving You

[Toto](#)

Reflections in my mind, thoughts I can't define  
My heart is racing and the night goes on  
I can almost hear a laugh, coming from your photograph  
Funny how a look can share a thousand meanings  
Well-intended lies, contemplating alibies  
Is it really you, or is it me I'm blaming  
A distant memory flashes over me  
Even though you're gone, I feel you deep inside

Dance beneath the light with that look in your eyes

I can't stop loving you, time passes quickly and chances are few  
I won't stop till I'm through loving you, girl

There's a window in a heart, I've tried to look through from the start  
You're never really sure what someone else is thinking  
Someone's broken something new, another altered point of view  
Just a certain someone's conscience playing

I held it in my hand, I did not understand  
What lives inside the wind that cries her name  
Tried to catch a shooting star, what seems so close can't be that far  
I'm living in a dream that's never ending

Dance beneath the light with that look in your eyes

I can't stop loving you, time passes quickly and chances are few  
I won't stop till I'm through loving you, girl

Bridge guitar solo

oohh

Dancing with that look that's in your eyes

I can't stop loving you, time passes quickly and chances are few  
I won't stop till I'm through loving you, girl

I can't stop loving you, time passes quickly and chances are few  
I won't stop till I'm through loving you, Loving you...
