INTERLUDE (B/C# C# x12)

Oh every night I hear you call my name
I wanna sleep in my dark (bedroom?)
I have a mind to express my pain
But I won't get back in your tomb
I wanna hear, I wanna hear, oh why you're gone
And every night seems the same song
Same song...
I will be humming in my sleep
I don't wanna say
I don't wanna say...
