Chorus 2

chorus chord progression continues to fade

**Until the day is night and night becomes the day
Until the trees and sea just up and fly away
Until the day that eight times eight times eight is four
Until the day that is the day that are no more**

Chorus

**Until the day the earth starts turning right to left
Until the earth just for the sun denies itself
Until dear Mother Nature says her work is through
Until the day that you are me and I am you**

Interlude

**We all know sometimes life's hate and troubles
Can make you wish you were born in another time and space
But you can bet your life times that and twice its double
That God knew exactly where He wanted you to be placed
So make sure when you say you're in it but not of it
You're not helping to make this Earth a place sometimes called
Hell**

**Change your words into truths and then change that truth into
love**

**And maybe our children's grandchildren
And their great-great-grandchildren will tell**

I'll be loving you...
