Intro

Verse 1

From where you are. You see the smoke start to arise

A^b

Where they play cards
And you walk over
Softly moving passed the guards
The stakes are getting higher

D^bm

You can feel it in your heart
He calls you bluff
He is the ace you never thought

A^b

He played that much
And now it's more than all this cards
You want to touch
You never know if winning this

D^bm

Could really be enough

Pre Chorus

E^bm7-5

Take a look

A^b

Beyond the moon

D^bm

You see the stars.

E^bm7-5

And when you look around

A^b

D^b

You know the room by heart

Chorus

I have never dreamed it Have you ever dreamed a night like this
I cannot believe it I may never see a night like this
When everything you think is incomplete
Starts happening when you are cheek to cheek
Could you ever dream that I have never dreamed, dreamed a night
like this

Verse 2

How many times
Have I been waiting by the door
To hear these chimes
To hear that someone debonaire has just arrived
And opened up to see My world before my eyes
That silhouette creates an image
On the night I can't forget
It has the scent of something special
I can't rest If I resist temptation
Oh, I know for sure that I will lose the bet

Pre chorus

I walk away and suddenly it seems
I'm not alone
In front of me he stands I stop, before he goes

Chorus

I have never dreamed it Have you ever dreamed a night like this
I cannot believe it I may never see a night like this
When everything you think is incomplete
Starts happening when you are cheek to cheek
Could you ever dream that I have never dreamed, dreamed a night
like this
