Cm

Listen to the wind blow

B^b

coming from a forest land

A^b

chasing every car not every broken avenue

Fm

Cm

Unlike me and you, and you and me

Cm

Won't you feel the water flow

B^b

down our rivers that will never end

A^b

They will never try to understand

Fm

B^b

Cm

Take me back to understand

A^b

Deep inside our hearts no

B^b

C^{sus4}

C

We don't make the wind blow

Verse 2

Cm

Look and see the little one

B^b

is running through the rain storms

The dark and the dirt didn't bother us then
 like the long lost friend, I still remember that
 Looking up at the Levant stars
 we were dancing in an open sky
 And with open eyes,
 and our minds as open

Chorus

Take me back to underst and
 Deep inside our hearts no
 We don't make the wind blow
 Take me back to understand
 Deep inside our hearts no
 We don't make the wind blow
