

## Rosie - John Mayer

Intro 4 maten

Gitaar solo 4 maten

Rosie

Come down and get the door for me

I'm drunk again, remember when we used to be?

Rosie

I know you said no more for me

But that was all before this dream that just came to me

Don't leave me here

Under the **January rain**

Come let me in

Take my **heart by the hand**

And lead me back to your room **(back to your room)**

And sing me your tune **(sing me your tune)**

Gitaar solo 4 maten

Rosie

You don't have to hide his things

I'm fine with all the sorrow that tomorrow brings

Whoa-oh-oh, Rosie

Don't you know my love is true

'Perdon' and 'lo siento', see, I learned those words for you

Don't leave me here

Under the **January rain**

Come let me in

Take my **heart by the hand**

And lead me back to your room **(back to your room)**

And sing me your tune **(sing me your tune)**
