## Intro

Ooh, New York

Ooh, New York

## Verse 1

Grew up in a town that is famous as a place of movie scenes

Noise is always loud, there are sirens all around and the streets are mean

If I can make it here, I can make it anywhere, that's what they say

Seeing my face in lights or my name in marquees found down on Broadway

Even if it ain't all it seems, I got a pocketful of dreams

## Chorus

**Baby I'm from New York**

**Concrete jungle where dreams are made of**

**There's nothing you can't do**

**Now you're in New York**

**These streets will make you feel brand new**

**Big lights will inspire you**

**Hear it for New York, New York, New York**

## Verse 2

On the avenue, there ain't never a curfew, ladies work so hard

Such a melting pot, on the corner selling rock, preachers pray to God

Hail a gypsy cab, takes me down from Harlem to the Brooklyn Bridge

Someone sleeps tonight with a hunger far more than an empty fridge

I'ma make it by any means, I got a pocketful of dreams

## Chorus

**Baby I'm from New York**

**Concrete jungle where dreams are made of**

**There's nothing you can't do**

**Now you're in New York**

**These streets will make you feel brand new**

**Big lights will inspire you**

**Hear it for New York, New York, New York**

## Middle 8

One hand in the air for the big city

Street lights, big dreams, all looking pretty

No place in the world that can compare  
Put your lighters in the air, everybody say  
Yeah! Yeah! Yeah! Yeah!

**Chorus**

**In New York**

**Concrete jungle where dreams are made of**

**There's nothing you can't do**

**Now you're in New York**

**These streets will make you feel brand new**

**Big lights will inspire you**

**Hear it for New York**
