Verse 1

She was a fast machine she kept her motor clean
She was the best damn woman that I ever seen
She had the sightless eyes telling me no lies
Knocking me out with those American thighs
Taking more than her share Had me fighting for air
She told me to come but I was already there
Cause the walls start shaking The earth was quaking
My mind was aching And we were making it

Chorus

And you shook me all night long
Yeah you shook me all night long
