Mario Biondi:

Baby's into running around

Hanging with the crowd

Putting your business in the street

Talking out loud

Saying you bought her this and that

And how much you done spent

I swear she must believe it's all heaven sent

Hey boy you better bring the chick around

To the sad, sad truth the dirty lowdown

**Ooh I wonder, wonder, wonder, wonder who** - Taught her how to talk like that

**Ooh I wonder, wonder, wonder, wonder who** - Gave her that big idea

Chaka Khan

Nothin' you can't handle

Nothin' you ain't got

Put your money on the table

And drive it off the lot

Turn on that old love light

And turn a "maybe" to a "yes"

Same old schoolboy game got you into this mess

Hey son, better get back on to town

Face the sad old truth, the dirty lowdown

**Ooh I wonder, wonder, wonder, wonder who** - Put those ideas in your head
