Additonal lyrics: (in order of played)

1. Imagine there's no heaven.

It's easy if you try.

No hell below us.

Above us only sky.

Imagine all the people living for today, ah.

2. Imagine there's no contries.

It isn't hard to do.

Nothing to kill or die for.

**And no religion too.
Imagine all the people living life in peace, you**

**Chorus. You may say I'm a Dreamer
But I'm not the only one.
I hope some day you'll join us.
And the world will live as one.**

**3. Imagine no possessions.
I wonder if you can.
No need for greed or hunger.
A brotherhood of man.
Imagine all the people sharing all the world, you**

Chorus

**=I'll put a (b) for the barred F
=I won't put anything for the normal F
